Everything's Archie

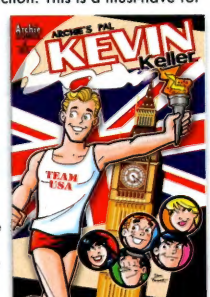
ARCHIECOMICS.COM

It's another busy month here at Archie central, with best-ofs, protests, Olympic Games and new characters galore popping up –which means more interesting reads from Archie Comics!

Archie Comics expands its library of essential graphic novels with BEST OF ARCHIE 2, the sequel to the top-selling BEST OF ARCHIE collection. This book compiles some more of the greatest stories ever told during Archie's 70-year history, from 200,000 pages of material. Designed for young and old readers alike, THE BEST OF ARCHIE COMICS 2 includes a mix of classic long-form and shorter stories, each with its own introduction. This is a must-have for anyone who's enjoyed Archie Comics!

Over in ARCHIE #635, the Occupy movement visits Riverdale in "Occupy Riverdale." As if having to choose between Betty and Veronica wasn't already tough, Archie finds himself in the middle of a class struggle with his two favorite ladies! Which side will Archie take? Pick up the issue, featuring the wonderful art of Gisele and words by yours truly.

The Olympics are here, and Kevin and his family have tickets! In KEVIN KELLER #4, the Keller crew heads to London–which means old friends and new adventures! But what happens when Veronica tags along and complicates the trip? Mayhem, of course!



Speaking of Kevin, he's not the only new kid to arrive on the Riverdale scene of late! In fact, Riverdale High recently expanded by 50 kids. ARCHIE: CLASH OF THE NEW KIDS collects the story from writer Alex Simmons and superstar artist Dan Parent that gives readers a look at the newest kids walking the halls of Riverdale High and how they fit into Archie's world. A great introduction to modern Archie Comics!
